Planning a bachelorette party or night out on the town? If you live in or near NYC, we can help you throw a party to remember.

### Babeland Private Workshops

These wildly popular workshops are taught by our Sex Educators at the private location of your choice or in one of our stores, and with special attention to your group's wishes. The cost starts at \$30 per guest for 90 minutes, with a \$450 minimum (transportation costs may also apply). Toys are available for sale at workshops held in our store, or at your location upon special request (for an added \$50).

### Babeland Toy Parties

Like a Tupperware party, but with sex toys! We'll lead you and your guests on a fun hour-long tour of our favorite toys, sex tips, tricks, and techniques. There will be additional time for you and your guests to make purchases. The cost of a Babeland Toy Party starts at \$200, depending on the location.

### Babeland Bachelorette Experience

Perfect for a mobile bachelorette party or night out on the town! Your group has exclusive after-hours use of our L.E.S. store (under 10 guests) or our SoHo store (over 10 guests) for one hour, complete with Babeland goodie bags for all, complimentary wine and snacks, and a sex educator to answer your questions.
